GETTING TO KNOW YOUR LELO DOT™
USING LELO DOT™

- How to hold

- Where to place on the body

Tip: For an even more pleasurable sensation, apply a liberal amount of LELO Personal Moisturizer to your body and to LELO DOT™ before and during use.

Keep in mind that LELO DOT™ may initiate automatic shutdown if pressed too hard against the body. This automatic feature assures the motor doesn't overheat if the product is misused.
CHARGING YOUR LELO DOT™

• Insert the DC plug into the DC port at the base of your LELO DOT™

• Insert the mains plug into a USB Port. The LED on the interface of your LELO DOT™ will pulse to indicate it is charging. When it is fully charged, the LED will emit a steady glow. When the battery is running low, the LED on your LELO DOT™ will emit a blinking white light.

Only use original chargers provided by LELO with your LELO DOT™.
CLEANING, STORAGE, AND SAFETY

Using LELO DOT™ with hand creams or silicone-based lubricants may make the silicone permanently tacky.

LELO DOT™ is fully waterproof, making cleaning simple. Rinse and spray with LELO Toy Cleaner, then rinse again and allow it to dry.

Always clean your LELO DOT™ thoroughly before and after each use. You can wash the silicone with warm water and antibacterial soap, rinse with clean hot water, and pat dry with a lint-free cloth or towel. Never use cleansers containing alcohol, petrol, or acetone.

Avoid leaving your LELO DOT™ in direct sunlight and NEVER expose it to extreme heat. Store your LELO DOT™ in a dust-free place and keep it away from products of other materials.

Do not bend your LELO DOT™ too aggressively to avoid damaging the soft and bendable tip permanently.

The appliances must only be supplied at Safety Extra Low Voltage (SELV).
TROUBLESHOOTING

The LED on your LELO DOT™ does not pulse when the charger is connected:

- The battery is drained and will require several minutes to acknowledge that it is being charged.
- The charger is not properly connected. Check wall and DC sockets.

Your LELO DOT™ does not activate when the (()) button is pressed:

- The battery is empty. Recharge your LELO DOT™.
- The interface of your LELO DOT™ is locked. Hold down + and — for 3 seconds.

If you experience any other problems with your LELO DOT™ or if you have any questions regarding the operation, please contact: customercare@lelo.com

REGISTER WARRANTY

To activate your 1-year limited warranty, register the number provided on the LELO Authenticity Card at LELO.COM/SUPPORT.

1-YEAR WARRANTY

LELO warrants this pleasure object for a period of ONE (1) YEAR, after the date of original purchase, against defects due to faulty workmanship or materials. The warranty covers working parts that affect the function of the pleasure object. It does NOT cover cosmetic deterioration caused by fair wear and tear or damage caused by accident, misuse, or neglect. Any attempt to open or take apart the pleasure object (or its accessories) will void the warranty. If you discover a defect and notify LELO during the warranty period, LELO will, at its discretion, replace the pleasure object free of charge. Claims under warranty must be supported by reasonable evidence of the date of claim is within the warranty period. To validate your warranty, please keep your original purchase receipt together with these warranty conditions for the duration of the warranty period. To claim your warranty, you must log in to your account at LELO.COM and then select the option to make a warranty claim. Shipping costs are non-refundable. This undertaking is in addition to the consumer's statutory rights and does not affect those rights in any way.
DISPOSAL INFORMATION

Disposal of old electronic equipment (applicable in the EU and other European countries with separate waste collection systems):

The crossed-out dustbin symbol indicates that this pleasure object should not be treated as household waste, but rather be brought to the appropriate collection point for the recycling of electrical and electronic equipment.

DISCLAIMER: Users of this product do so at their own risk. Neither LELO nor its retailers assume any responsibility or liability for the use of this product. Changes or modifications not expressly approved by the manufacturer could void the user’s authority to operate the equipment. The model may be changed for improvements without notice.
