DISPOSAL INFORMATION

Disposal of old electronic equipment (applicable in the EU and other European countries with separate waste collection systems).

The crossed-out dustbin symbol indicates that this pleasure object should not be treated as household waste but rather be brought to the appropriate collection point for the recycling of electrical and electronic equipment. By ensuring that this device is disposed of correctly, you will help to prevent the potential negative consequences for the environment and human health, which could be caused by inappropriate waste handling of the product. The recycling of materials will also help conserve natural resources.

For more information about the recycling of your device, please contact your local household waste disposal service or your place of purchase.

BATTERY DISPOSAL:

Batteries and rechargeable batteries must not be disposed of in household waste. As an end user, you are legally required to return used batteries. Please use official collection facilities such as the collection points provided by public waste management authorities to do so.

To prevent short circuits, the poles of lithium batteries should be taped before returning. For safety reasons, we ask you not to send the batteries to us by mail and refer you to the regulations for sending hazardous goods provided by mail carriers.

If the batteries are permanently installed in the product, please do not try to remove them yourself. This may cause permanent damage to the device. Your obligations as a customer are otherwise regulated by the WEEE Directive and the national implementation law.

BATTERY REMOVAL:

This process is not reversible. Opening the device will void its warranty. This action must only be undertaken when the device is ready to be disposed of. To remove the battery, peel away the silicone cover, open the plastic shell and remove the battery to be disposed of in accordance with your local environmental regulations. Wear gloves during this process for your safety. **For maximum safety and proper disposal, please cut the black cable first, but if you are unsure please tape the cable poles to be safe and avoid risk.**

SAFETY:

Please consult your healthcare provider with any questions or concerns you may have regarding your condition. This product can be used by adults only. Keep out of reach of children. People with reduced physical, sensory or mental capabilities or lack of experience and knowledge should use the device only if they have been given supervision or instruction concerning the use of the device in a safe way and understand the hazards involved. Only use the product for the intended purpose. Sharing sex toys with other people may transmit sexual diseases. Do not share your sex toys with people other than your partner. Use protective measures with your partner if necessary. Do not use the product if you detect any cracks or signs of degradation on the covering material. To prevent stains, do not keep your product on the absorbent surfaces. If your product operates abnormally, turn off and consult the support section on our website. Do not use the product if one or more components are damaged.
